

North Somerset Safeguarding Children Board Mandatory Training Pathway

Do you work with or have contact or indirect contact with children, young people, parents and carers?

Yes

You need to know what to look for which may indicate possible harm and know who to contact and seek advice from if you have concerns

Attend your own agency's **Child Protection – Basic awareness Training**

If your agency does not offer a course attend the **Interagency Child protection Basic Awareness course** provided by the NSSCB

If you work in a **Health Care Setting:**

Attend level one and two training provided by your agency

Do you provide interventions to children and/ or families/ carers or are you a Designated Safeguarding Lead?

Yes

No: refresh in accordance with your agency's requirements

You need to be able to recognise the potential impact of a carer's wellbeing on children and know about your responsibilities to provide Early Help

Attend the **Inter-agency Introduction to Child Protection**

Do you have responsibilities in relation to section 47 enquiries? Are you a designated safeguarding Lead or do you need to attend a level three course?

Yes

Attend the **Advanced Inter-agency Child Protection**

No

Attend **Optional Courses and Advanced Update** every two years
